

REMARKS:

- 1) Entry of this Second Preliminary Amendment including new claims 11 to 20 is respectfully requested. Claims 11 to 20 are based on original, literally translated claims 1 to 10, except for avoiding the improper multiple dependencies.
- 2) Note that the Written Opinion of the International Searching Authority found that at least PCT claims 6 to 10 (corresponding to new U. S. claims 16 to 20) satisfied all criteria for patentability including novelty, non-obviousness and utility.
- 3) Claims 11 to 20 are the claims to be examined. Favorable consideration and allowance thereof are respectfully requested.

Respectfully submitted,

Bertram KOPPERGER et al.  
Applicant
